**2017  
SCGC JUNIOR GOLF  
PROGRAM**

Spring Creek's Junior Golf begins its 19th year.

The students of the game have learned proper golf procedures and etiquette.

I look to have the junior golfers combine proper fundamentals and golf etiquette and to foster a lifetime of enjoyment for the game.

This program will give juniors activities they enjoy.

Improving golfing skills is only one objective of conducting a successful junior program.

A good golfing experience is more than just 'low numbers on a scorecard'.

Learning values in the golf game and life situations,

patience, respect, perseverance,

honesty, self-control will prepare students

to meet challenges of today's world.

In this developmental junior golf program,

They will be provided the opportunity to have fun,

gain self-confidence, compete,

and make lasting friendships.
